

PHPS Virtual Parents Evenings, Autumn 2020

Exit Survey

Thank you to all parents that took part in the exit survey. The results are shared with you here. We have also read the written responses and we thank you for taking the time to share these with us. On the whole, your written comments were very positive but there were also a few requests for the future. We shall address these in due course but if we do repeat Parents Evenings in this way, we will see what we can do to still improve this further, reflecting also on the survey outcomes. Depending where we are in February/March, this may be the way we have to conduct Parents Evenings again.
