Science:

Uses of everyday materials

- The properties of materials and their uses
- Where different materials come from
- Inventors of material
- Experimenting with ways that materials can be changed
- Fair testing

P.E.:

- Year 2 will be introduced to the idea of using their key skills like throwing, running, hopping, catching and jumping into a more sports based environment.
- They will be tasked with combining these various skills to become fluent in individual sports and events.

Computing:

- Using the computer programme Purple Mash pupils will learn different computing skills.

Art/D&T:

- Pupils will use a variety of pencil skills and techniques to create drawings under the sea ideas.
- Looking at space through Art.

Humanities:

Humanities will be taught through this term's topics 'Under the Sea' and 'Space'.

History: Changes in living memory / Events beyond living memory / The lives of significant individuals

Geography: Geographical features and fieldwork.

General Information:

- PE will alternate each week between Monday and Thursday for both Year 2 classes. Please ensure boys have a named PE kit. They will change for PE during school and return home in their PE kit with their school uniform in their bags.
- Spellings will be sent out on a Thursday and the boys will be tested the following Wednesday.
- Reading books will be sent home on a Monday and Thursday. Please ensure your son has read the book twice and you have signed the reading record both times in order for the book to be changed.
