

Dear Parents

We are passionate about giving your children the best possible education. In order to inspire the children's reading we are constantly updating the provision of books on our classroom book shelves. However ensuring pupils have access to new and rich literature is a costly task.

We are starting what we hope will be a new and positive birthday tradition at Pardes House and this letter outlines our new '**Birthday Book**' initiative. Many parents generously send class treats into school when it's their child's birthday. Instead of (or as well as) cakes, you (and/or grandparents) may like to support our idea to donate a lasting treat for the boys... a brand new book for the class libraries! By donating a book on your child's birthday, pupils in that class will benefit and the gift will be treasured and shared for many years to come. What we can achieve for our school and the boys through this can be incredible over time, but only with your support.

To support this initiative is easy and will take just 2-3 minutes. All you have to do is go to <https://pardeshouseprimary.com/curriculum/interactive/>, click on the link to Amazon birthday books, follow the instructions, click your son's year group link, choose a book, pay and that's it! The book will be delivered direct to the school (choose that as delivery address) and we will then put in a personalised label to acknowledge the donation on the occasion of your son's birthday.

It is our aim to enable all pupils to enjoy reading for pleasure, and with your support, our library shelves can be boosted with the latest releases and more! A big thank you from all at Pardes House as we really appreciate your support and generosity.

Yours sincerely,

Miss Gross  
Reading Leader
