

Literacy:

Our literacy will be taught through our class topic of WW1. We will be using the books *The Highwayman* and *Holes* as a springboard for comprehensions, art, story writing and poetry.

We will be following the New National Literacy Strategy which will be focussing on various forms of writings. Focusing on Drama to bring literacy alive.

- Word Level Work which will include work on phonics, spelling and high level vocabulary.
- Sentence Level Work which will include aspects of grammar and punctuation.
- Text Level Work which will include comprehension and composition.
- Handwriting practice

Maths:

- We will be following the New National Numeracy Strategy for maths. The main topics that will be covered this term are rounding, dividing by 10, dividing by 100, multiplying, dividing, doubling and halving.
- Finding fractions of quantities, equivalent and converting fractions. Adding, subtracting decimals and lowest common multiples.
- Co-ordinates, symmetry, rotations and translations.
- 2D / 3D shapes
- In addition to this there will be weekly arithmetic tests on Fridays.

Science:

The Heart

- . To identify and name the main parts of the human circulatory system, and describe the functions of the heart, blood vessels and blood
- . To recognise the impact of diet, exercise, drugs and lifestyle on the way their bodies function
- . To describe the ways in which nutrients and water are transported within animals.

P.E.:

Hockey and Football
Dribbling
Passing
Attack and defence overload
Small-sided games
Tactical awareness
1 v 1
Game management

General Information:

- Homework information to be sent out at a later date and will only commence after Sukkos.
- P.E. will be on a Wednesday for both classes. Children will have to have a full kit in order for them to be allowed to participate.

Art/D&T:

- Focus on artists eg Andy Warhol and finding out about their lives and styles and imitating those styles in the classroom.
- WW1 art
