

Literacy:

Our literacy will be taught through our class topic of WW1. We will be using the book *The Silver Sword* as a springboard for comprehensions, art, story writing and poetry.

We will be following the New National Literacy Strategy which will be focussing on various forms of writings. Focusing on Drama to bring literacy alive.

- Word Level Work which will include work on phonics, spelling and high level vocabulary.
- Sentence Level Work which will include aspects of grammar and punctuation.
- Text Level Work which will include comprehension and composition.
- Handwriting practice

Maths:

- We will be following the National Numeracy Strategy for maths. The main topics that will be covered this term are:
- Rounding, dividing by 10, dividing by 100, multiplying, dividing, doubling and halving.
- Finding fractions of quantities, equivalent and converting fractions. Adding, subtracting decimals and lowest common multiples.
- Co-ordinates, symmetry, rotations and translations.
- 2D / 3D shapes
- In addition to this, there will be weekly arithmetic tests on Fridays.

Science:

Electricity:

- Investigations using cells, wires, bulbs
- To recognise and use electrical symbols
- Understand how every day electrical items work
- Safety measures and dangers involved in electricity
