Meeting Minutes	
Q & A and general discussion	
<p><u>PARKING AND DROP OFF</u></p> <p>Discussion regarding usual issues with parent parking and driving 'techniques' on Hendon Lane. Suggestions from parents on how to help with this and discussion on how these can or can't work.</p> <p>Parents were reminded that there are local roads to park in, less than a 3-minute walk to school and that are only restricted parking between 2.00 and 3.00pm. That includes Dollis Hill and Gravel Hill.</p> <p>The school knows parents often have large rotas and may have babies with too but the spaces are there.</p>	<p><u>HOW IS THE NEW LIBRARY COMING ALONG?</u></p> <p>Rabbi Sager said that Asher is currently building the new shelving. Lots of new books have been bought, there are new resources for the Library and we are very excited for this to be completed very soon. That also includes lots of new books.</p>
<p><u>BOYS SO HAPPY COMING INTO SCHOOL</u></p> <p>One of the parents talked about how nice it is in the mornings to see the boys running into school. Rabbi Sager and Rebbe Roitenbarg agreed and said he always talks about this to other people.</p>	<p><u>KRIAH NEIMAH PROGRAMME</u></p> <p>Some typos have been seen in the booklets. Rebbe Roitenbarg will look into this and check to ensure there are no mistakes..</p>
<p><u>TORAH UMESORAH</u></p> <p>Does the school use their resources? Rebbe Roitenbarg said that the school uses resources that work for the school but not all of them.</p>	<p><u>APPRECIATION FOR THE PRIZES AND INITIATIVES</u></p> <p>Parents appreciated the special programs, initiatives and prizes that the school puts on for the boys. Rabbi Sager said it is all part of engaging the boys with school.</p>
